Faculty Grants:

Aiden Faust completed the Station North Oral History Project, funded by the University of Baltimore Foundation's Baltimore Renaissance Seed Scholars Fund. The project included ten oral history interviews and a related web exhibit.

Aiden Faust was awarded a research grant by the UMBC Graduate Student Association to develop his thesis research into Baltimore's Model Cities Program in the 1970s, with particular attention to the role of black radicals in the War on Poverty.

Ben Blake submitted a successful Provost Technology Investment Grant for the initial implementation of ArchivesSpace.

Catherine Johnson, Natalie Burclaff and Mike Kiel were among the members of Langsdale Library and the University of Baltimore to submit a successful proposal to participate in the Association of College & Research Libraries (ACRL)'s Assessment in Action pilot program.

Bill Helman submitted a successful Provost Technology Grant to bring easier wireless and mobile printing to students on campus. Project was implemented in FY 14 and will be launched in the Fall of FY 2015.
